

ILS prides itself to build the highest quality lecterns around from thick aluminum profiles, blocks and plates, machined to a perfect fit and style. The lecterns are virtually free of maintenance for decades. In ILS products it is possible to remove a damaged part and renew it, or to make new fittings for future upgrades without affecting the rest of the installed system.

ILS Synergy DW delivers ILS quality combined with a smart design. The solid top of the lectern is placed on a motorized wide pillar with a height adjustment range up to 40 cm (15 "+). Two buttons will help you to control it. In the lowest position, a seated person can freely use the system.

The Synergy DW is the ideal smart solution for PC presentation. An AIO PC holder is installed inside the working surface. This lectern was made especially for AIO PC: 24" Dell Optiplex 7480. Synergy DW also provides two horizontal side tables moving up / down with the top. This makes it possible to use handwritten notes, laptop, or place a document camera on it. The built-in switcher or four sockets with the type on request will be great helpers when handling connections between the main screen of the lectern and/or a laptop, or other devices. To do this, there are four buttons on the top panel of the product. There are also two USB 3.0 sockets and a holder with built-in charging cables for tablets and smartphones. The microphone socket is of the XLR shock-mount type.

For mobility and rock-solid stability of the lectern during the presentation, four side-ways rollers are embedded in the bottom plate. In addition, we will be pleased to engrave your logo on the front panel of the lectern, in case of using the system in formal events!

DIMENSIONS

Width	Top: 720 mm x 535 mm Side Plate: 450 mm x 295 mm Top + 2 Side Plates: 1615 mm
Height	User side: min: 870 mm max: 1270 mm Audience Side: min: 980 mm max: 1380 mm
Weight	80 kg

INTEGRATION

Display & PC	AIO PC: 24" Dell Optiplex 7480 Intel Core I-5 CPU; 16GB RAM; 256GB SSD;
Accessories	Switcher: ILS503 or 4 x sockets (type on request) Audio: 1 x Microphone AKG CGN 99
Features	ILS holder for AIO PC on articulating stand Ultra Wide Phone/Tablet holder Height adjustment: Motorised Wide Pillar 40cm range height 6 x Buttons (2 x Height control; 4 x Signal switch;) 2 x Side tables 4 x Lockable smart castors or sideway rollers

CONNECTIVITY

Top	1 x 3-Pin XLR Shock Mount for microphone 2 x USB 3.0 Sockets 3 x Charging cables (USB type-C; Lightning; micro USB;)
Bottom	1 x HDMI; 1 x PC LAN; 1 x XLR microphone; 1 x 3.5mm Audio; 1 x AC Power; 1 x HDbaseT; 1 x Switcher Control Cable;
