SYNERGY AW

ILS prides itself to build the highest quality lecterns around from thick aluminum profiles, blocks and plates, machined to a perfect fit and style. The lecterns are virtually free of maintenance for decades. In ILS products it is possible to remove a damaged part and renew it, or to make new fittings for future upgrades without affecting the rest of the installed system.

ILS Synergy AW delivers ILS quality with a smart design. The solid top of the lectern is made of anodized aluminum and placed on a motorized wide pillar with a height adjustment range up to 40 cm (15 "+). Two buttons will help you to control it. In the lowest position, a seated person can freely use the system.

The Synergy AW is an ideal solution for rooms where handwritten notes or laptops are used for presentation. There is also a laptop power socket and a holder with built-in charging cables for tablets and smartphones. To connect other devices, there are four sockets with the type on request. The microphone socket is of the XLR shock-mount type and there is the provision for a reading light, controlled by the button. When needed, horizontal side tables can be integrated moving up / down with the top. This will make it possible to place a document camera on one of them.

For mobility and rock-solid stability of the lectern during the presentation, 4 side-ways rollers are embedded in the bottom plate. In addition, we will be pleased to engrave your logo on the front panel of the lectern, in case of using the system in formal events!

DIMENSIONS	
Width	**Top:** 720 mm x 535 mm
Height	**User side: min**: 870 mm **max**: 1270 mm
	Audience Side: min: 980 mm **max**: 1380 mm
Weight	70 kg

INTEGRATION	
Accessories	**Audio:** 1 x Microphone AKG CGN 99
	Light: 1 x LITTLITE LED XLR-4 Lamp
Features	Luxury anodised aluminum surface for laptop and documents
	Ultra Wide Phone/Tablet holder
	Height adjustment: Motorised Wide Pillar 40cm range height
	3 x Buttons (2 x Height control; 1 x Light;)
	4 x Lockable smart castors or sideway rollers

CONNECTIVITY	
Top	1 x 3-Pin XLR Shock Mount for microphone
	1 x 4-Pin XLR Light socket (12V)
	4 x Sockets (type on request) - Laptop connectivity
	3 x Charging cables (USB type-C; Lightning; micro USB;)
	1 x AC power socket
Bottom	1 x HDMI; 1 x PC LAN; 1 x XLR microphone; 1 x AC Power;
